## Anthem of Silence Biography

Anthem of Silence formed in Hollywood, California but germinated long before in the home studio of songwriter Cameron Adkins. After connecting with Adam Fischer (bass), Dolce Wang (cello), and Serge Milenkovic (drums), AoS collaborated on writing, recording, and a multitude of charged live shows. Charmed and charming, this evolving group has appeal to a wide audience- from fans of Fleetwood Mac to fans of Nirvana. The band is currently finishing work on their new album, Television, due out in 2011, and their new EP "Twenty2 Red Roses and One White Rose" is available on all major online stores. AoS takes a grittier rock approach with the tracks "Phantoms" and "The Hundred Pages", showcasing their singable melodies and growing sound.
