Breck Stewart

Biography

Breck Stewart is an actor and singer who also works behind the scenes as cameraman, editor, director and producer on many projects over 2 decades. He created a company named MoonDaze Productions and launched 2 albums as a singer. The first is "Utopia" first released in December 2007 in digital form and in 2009 as a 2-Disc CD package.

The second album is called "Mister E" released in October 2010 about Ecstasy and how it can have a devastating effect on the human brain.
