## My Fallen Opera Biography

Fusing the darker side of electronic music with a strong narrative My Fallen Opera was formed by Gordon Rivers in 2003.

After joining the unsigned band website [www.overplay.com](http://www.overplay.com) The Future For You was signed in 2005 to Fiberline Audio. In 2007 Rivers enlisted the help of maverick London music producer John Mills to remix and remaster the My Fallen Opera back catalogue. As a result of this initial collaboration in 2008 Mills became a staple member of My Fallen Opera.

2009 was spent with Mills and Rivers honing their dark sound and in 2010 Rivers submitted the duo's new work to the cutting edge website [www.uplay.com](http://www.uplay.com) to discover if they had any hit potential? The results were encouraging with the sinister fan favourite Housedown being awarded a Platinum Auddy™ granting an industry thumbs up for My Fallen Opera.
