visap Biography

Heavily influenced by his idol Jay-Z, among other Hip-Hop greats, Vi\$A P is still relatively new 2 the rap game. Recording since early 2007, & experiencing first-hand the ups & downs of being part of a collaborative rap group, he is now emerging as a self-made, solo Hip-Hop artist. Music is his passion, & that's as real as it gets. There's no "rags-2-riches" story, or some fake facade about growing up in the hood like most of these new rappers claim. Vi\$A P was born & raised for most of his life in Quincy, MA—a large suburb right outside of Boston—
